

# NARAYANA IIT ACADEMY

## REVISION SCHEDULE(2024) FOR OUTGOING STUDENTS

| S.NO | DATE       | DAY | DAY    | MATHS                  | PHYSICS             | CHEMISTRY                    |
|------|------------|-----|--------|------------------------|---------------------|------------------------------|
| 1    | 16-03-2024 | Sat | DAY-1  | SELF REVISION          | SELF REVISION       | Stoichiometry                |
| 2    | 17-03-2024 | Sun |        | GTA-1(PI&PII)          |                     |                              |
| 3    | 18-03-2024 | Mon | DAY-2  | Vectors                | Ray & wave Optics   | Gaseous state & Nomenclature |
| 4    | 19-03-2024 | Tue | DAY-3  | Vectors+3D             | Ray & wave Optics   | Chemical bonding             |
| 5    | 20-03-2024 | Wed | DAY-4  | Sets & Relations       | Ray & wave Optics   | Atomic structure             |
| 6    | 21-03-2024 | Thu |        | PI: RPTA-1 & P2: GTM-1 |                     |                              |
| 7    | 22-03-2024 | Fri | DAY-5  | Functions              | Electrostatics      | GOC                          |
| 8    | 23-03-2024 | Sat | DAY-6  | LCD                    | Electrostatics      | Isomerism                    |
| 9    | 24-03-2024 | Sun |        | GTA-2(PI&PII)          |                     |                              |
|      | 25-03-2024 | Mon | DAY-7  | LCD                    | Capacitors          | Thermodynamics               |
| 9    | 26-03-2024 | Tue | DAY-8  | AOD                    | Current electricity | Equilibrium                  |
| 10   | 27-03-2024 | Wed | DAY-9  | AOD                    | RC-Circuits         | Equilibrium                  |
| 11   | 28-03-2024 | Thu |        | PI: RPTA-2 & P2: GTM-2 |                     |                              |
| 12   | 29-03-2024 | Fri | DAY-10 | Indefinite Integration | Magnetism           | Hydrocarbon                  |
| 13   | 30-03-2024 | Sat | DAY-11 | Definite Integration   | EMI                 | Benzene                      |

| S.NO | DATE       | DAY | DAY    | MATHS                                                                                                 | PHYSICS  | CHEMISTRY                      |
|------|------------|-----|--------|-------------------------------------------------------------------------------------------------------|----------|--------------------------------|
| 14   | 31-03-2024 | Sun |        | GTA-3(PI&PII)                                                                                         |          |                                |
| 15   | 01-04-2024 | Mon | DAY-12 | Definite Integration                                                                                  | EMI      | Alkyl halide                   |
| 16   | 02-04-2024 | Tue | DAY-13 | Areas                                                                                                 | AC       | Aryl halide & Grignard reagent |
| 17   | 03-04-2024 | Wed | DAY-14 | Differential Equations                                                                                | EM Waves | Alcohol                        |
| 18   | 04-04-2024 | Thu |        | PI: RPTA-3 & P2: GTM-3                                                                                |          |                                |
| 19   | 05-04-2024 | Fri | DAY-15 | Trigonometry/Heat & Thermo/Liquid Solutions/JEE MAIN-2024_SESSION-II/GTM-4                            |          |                                |
